

## **CA CDA State Release #28 Safety First, Friends**

Good evening friends,

We are already in the second month of the new CDA year and fun events have begun. The CA State Board requests that your courts have a First Aid kit at your events and meetings and that you identify ahead of time those members who may have medical training or First Aid/CPR certification.

Also, remember to have an Emergency form on file for each of your members, even if they are not able to make meetings. Best practice is to have your Financial Secretary, who handles membership dues, maintain this binder of Emergency Forms.

The form can be found on the [californiacatholicdaughters.org](http://californiacatholicdaughters.org) website. Menu: "About" drop down. Click on "Forms and Ceremonial Dress Code".

Download Emergency Contact form.

To see all National Forms: Scroll down to and click on "All CDA Forms on National Website".

Have a great and safe CDA year,

Lorine Bakowsky

CA Regent
