ADULTS ONLY PLEASE!

What is Quartermania? It's a fun event that combines raffle and auction with participants using quarters to bid on prizes. With your admission you receive a bidding paddle with a number on it. Additional paddles may be purchased to increase your chances of winning. Each vendor will highlight their raffle prize and state the bid. A number is pulled from a hopper and whoever has that paddle number is a WINNER!

So how do you have fun?

- * Bid on items from our wonderful vendors with just quarters!
- * Lots of chances to win amazing raffle prizes! Don't miss your chance to win!
- * Food and drink to keep you going all day!
- * Fantastic local vendors with great prizes!
- * Vendors will have items available for sale for your retail therapy! Support local business!
- * Bring your quarters; ready to play!

Ready to have fun? Bring your friends! Bring your quarters!
